## FORM 990-PF, PART IX-A, SUMMARY OF DIRECT CHARITABLE ACTIVITIES

The Charles K. Blandin Foundation (the Foundation), incorporated under the laws of Minnesota, stands with rural Minnesota communities as they design and claim ambitious, vibrant futures. One of only a handful of private U.S. foundations, Blandin Foundation awards grants, provides community leadership training programs, and engages community leaders to address challenges and opportunities unique to rural, places and peoples persistently underserved and marginalized. The Foundation operates throughout rural Minnesota, especially in the Grand Rapids area where it has agreed to distribute a minimum of 60% of its grants paid over a six-year rolling period.

### **1. Community Leadership Development**

For more than 30 years, the Foundation has offered leadership training to more than 7,626 community leaders in 586 rural Minnesota communities and reservation communities through our community leadership training programs.

*The Blandin Community Leadership Program (BCLP)*, a unique nationally-recognized program, builds competencies in three major areas: (1) framing opportunities and challenges that lead to effective action, (2) building social capital for collaboration and resource sharing, and (3) mobilizing a critical mass of resources to achieve specific outcomes. The program is designed for community cohorts that reflect diversity of their community from all walks-of-life. An intensive residential retreat and ongoing workshops train leaders in communications, conflict management, networking and stakeholder analysis.

*The Blandin Reservation Community Leadership Program* is a core leadership program. It provides learning within the framework of Native American cultures. It focuses on leaders' personal strengths and community assets they can rely on and grow forward from. We have had 680 reservation leaders participate in this program.

*Leadership in Ethnically Diverse Communities (LEDC)* – This program is designed to develop the leadership capacity in ethnically diverse rural communities for the purpose of building intentional inclusiveness. We have had 698 community leaders participate in this program.

*Leaders Partnering to End Poverty (LPEP)* – a program designed for rural Minnesota community members of all income levels who are engaged, passionate, and committed to removing barriers for those in poverty. We have had over 463 community leaders participate in portions of this program.

There were 189 community leaders from 16 communities who were involved with the core BCLP program in 2018, six reservation communities with 49 leaders trained through the Reservation Community Leadership Program, one

community and 30 leaders trained through the Leadership in Ethnically Diverse Communities, and one community and 43 leaders trained through Leaders Partnering to End Poverty.

Total cost to operate the Blandin Leadership Programs in 2018 was \$2.6 million.

## **2. Public Policy and Engagement**

Part of strengthening rural Minnesota is helping assure rural perspectives are well represented in public discourse. The Foundation, with partners, convenes and participates in public policy conversations on issues most important to the health of rural Minnesota communities. The Foundation currently has four focus areas: *broadband, supporting students' success, early childhood quality and quantity of care, and a fair and complete 2020 Census*.

*High-speed Internet, or broadband, today is indispensable infrastructure for thriving communities.* Since 2003, the Blandin Community Broadband Program has engaged at local, state and federal levels to inspire, inform and support local leaders in planning for broadband-enabled futures. Blandin Foundation also has been invited to share its long experience and deep knowledge as part of public policy work regarding rural broadband.

*Supporting students' success, starting with early childhood* - A strong start in life – education, nurturing, discovery, growth, work – sets the foundation and direction for the lives of individuals and communities alike. Blandin Foundation partnerships are focused on the success of all students and assist people, particularly those in Itasca County, Minnesota, who seek opportunities that enhance their lives, their children's lives, and their community as a whole.

*A fair and complete 2020 Census* is a bedrock of American society and constitutionally mandated. Too often, rural peoples and other marginalized populations are under-represented, which has implications for commerce, community development and governmental representation. Blandin Foundation is engaged specifically within Minnesota.

Total cost to operate Public Policy and Engagement in 2018 was \$1.1 million.

## **3. Grants and Scholarships**

The Foundation partners with community-focused organizations that support rural Minnesota communities as they build healthy communities. A minimum of 60% of grants are targeted to the Itasca County local giving area, with the balance used to support initiatives in other parts of rural Minnesota. To be eligible for a Foundation grant, organizations must be located in Minnesota, be a 501(c)(3) organization, unit of government or education, and propose projects that align with the Foundation's mission and focus areas of:

***Itasca County Area Vibrancy*** We support work that helps meet the economic, social, physical, cultural and spiritual/wellness needs of Itasca-area residents.

***Rural Community Leadership*** Grants support community leaders as they think holistically and act collaboratively on systems-level (embedded policies or

practices that perpetuate community inequities) issues they have identified as critical to the health and resiliency of their community.

***Expand Opportunity*** Grants support projects that improve and align education, entrepreneurship, quality employment and innovations to expand opportunity for every community member.

Scholarships are awarded in the local giving area, focused on improving educational attainment of disadvantaged populations. Each year, hundreds of students from Itasca County, Minnesota, area schools are awarded need-based scholarships to continue their education at community college, college or university, trade schools and certificate programs throughout the United States. More than 20,345 area youth have received scholarships totaling more than \$24.9 million since 1956.

The Blandin Foundation paid out over \$11.5 million in grants and scholarships in 2018 and the cost to operate the Grant Making program totaled \$1.3 million for 2018.
