

Blandin Foundation Grant Invitation FAQs

Rural Minnesota grants

When is my proposal due?

Proposals are due on September 29, 2023

What will the grant duration be?

Grant periods are flexible, depending on the nature of the application; we expect most will be in the range of 18 to 36 months.

How much funding should my organization ask for?

Please request an amount that speaks to what you need to complete your project.

Can I save a copy of my grant application and return to it later?

No. If you suspect you may need to pause your submission, we recommend you draft responses in a separate document before completing the online form.

Does the online application contain word or character limits for each answer?

Yes. If your content exceeds 3,000 characters, you will need to shorten or send the overage as an additional attachment to grants@blandinfoundation.org

What attachments are needed for my application?

You will be prompted to provide three attachments:

1. Your organization's most current IRS Form 990. If your organization is not required to complete a 990, you can upload your most recent audited financial statement.
2. If you are a city, township, or if your organization's operating budget does not require submitting a 990, please upload your annual budget.
3. List of your organization's Board of Directors and Key Staff Leadership.

No additional attachments are required for the application of this grant but if you feel there are important supporting materials beyond what is outlined in the prompts, they can be emailed to grants@blandinfoundation.org.

When will a decision about funding be made?

All grants will be awarded by October 31, 2023.

If my organization applies for this grant, can we apply for other Blandin Foundation grants?

Yes. As with this application, future opportunities will be posted on our website.

Is matching funding a requirement?

This proposal does not require a specific match.

Can I speak with a Program Officer before I submit my application?

If you have additional questions beyond the scope of this FAQ, contact grants@blandinfoundation.org.
