Conference Information

#mnbroadband

Thank you for registering for our annual broadband conference. We look forward to seeing you on Zoom next week!

General Information

Join us at 8:30am each day for casual Coffee and Conversation. The conference will start promptly at 9am. The schedule is packed and we're going to move quickly without a lot of time spent on introductions. We will adjourn at noon Tuesday and Thursday, and 1pm on Wednesday.

- Check out our [Welcome Video](#) to orient yourself and get in the spirit!
- We've updated the [conference webpage](#). The "Schedule and Resources" section will serve as the conference program - and it includes presenter bios.

Zoom Links

When you registered, you indicated whether you'd like us to communicate with you by email, text, or both. We'll be sending out emails and texts the afternoon prior to each conference day with link for the next day's session. Watch for Tuesday's Zoom link on Monday afternoon.

We will also post participation links to the online conference program on our [webpage](#) (Schedule and Resources section) by 8:20am each morning.

During the Event

When you join conference, you'll be muted and your video will be off. You can unmute and turn on your video whenever you'd like -- but we do ask that you keep yourself muted during presentations. Use the chat box for questions and comments. If your internet isn't great, Zoom will likely perform better for you if you keep your video off, or use it sparingly.

Captioning: Zoom offers captioning. To see the captions, click on the "Live Transcript" button on the menu at the bottom of your Zoom window and choose "show subtitles."

Conference Archive

All sessions will be streamed to our [YouTube channel](#), and later archived to the [Blandin on Broadband blog](#) along with notes other presentation materials.

A word about privacy: Note there is a chance your Zoom-square will show up in our videos. If you don't want your full name to show up, you will have the ability to rename yourself. Click on the ellipses in the upper right corner of your square, or private chat Mary Magnuson.

If you have any questions, contact Mary at memagnuson@blandinfoundation.org.

Have a great weekend!
