

Half of Itasca County households still need to fill out the Census. Here's why and how.

Why should I do the Census?

Each person missed in the Census count means Itasca County misses out on \$2,796 -- per person -- every year until 2030! That's nearly \$120,000 for a family of 4.

Census drives funding for our roads,
our schools,
our homes,
our community,
OUR FUTURE.

How do I fill out my Census form?

10 questions. 5 minutes. 3 easy ways to complete your census form:

1. Online at my2020census.gov
2. By phone at 844-330-2020
3. Paper form you received in the mail

When should I do my Census?

NOW! Check with your parents, extended family, friends, neighbors, coworkers, congregations, township members, parents. Make sure they have – for sure – completed their forms. If they aren't sure, it's OK to answer again.

Help us get the word out!

Deadline is September 30, 2020!!
