#### Who Must File

Any person claiming or reporting any deduction, loss, credit, or other tax benefit, or reporting any income on any tax return from an interest purchased or otherwise acquired in a registrationrequired tax shelter must file Form 8271. If you are an investor in a partnership or an S corporation, look at item G, Schedule K-1 (Form 1065), or item C, Schedule K-1 (Form 1120S), If a tax shelter registration number or the words "Applied for" appear there, then the entity is a registration-required tax shelter. If the interest is purchased or otherwise acquired by a pass-through entity, both the pass-through entity and its partners, shareholders, or beneficiaries must file Form 8271,

A pass-through entity that is the registration-required tax shelter does not have to prepare Form 8271 and give copies to its partners, shareholders, or beneficiaries unless the pass-through entity itself has invested in a registration-required tax shelter.

In certain cases, a tax shelter that does not expect to reduce the cumulative tax liability of any investor during the 5-year period ending after the date the investment is first offered for sale may be considered a "projected income investment." Such a tax shelter will not have to register, and thus not have to furnish a tax shelter registration number to investors, unless and until it ceases to be a projected income investment. It is possible, therefore, that you may not be furnished a tax shelter registration number, and not have to report it, for several years after you purchase or otherwise acquire your interest in the tax shelter. If you are later furnished a tax shelter registration number because the tax shelter ceased to be a projected income investment, follow these instructions. However, you must file Form 8271 only for tax years ending on or after the date the tax shelter ceases to be a projected income investment.

Note: Even if you have an interest in a registration-required tax shelter, you do not have to file Form 8271 if you did not claim or report any deduction, loss, credit, or other tax benefit, or report any income on your tax retum from an interest in the registration-required tax shelter. This could occur, for example, if for a particular year you are unable to claim any portion of a loss because of the passive activity loss limitations, and that loss is the only tax item reported to you from the shelter.

#### Filing Form 8271

Attach Form 8271 to any return on which a deduction, loss, credit, or other tax benefit is claimed or reported, or any income reported, from an interest in a registration-required tax shelter. These returns include applications for tentative refunds (Form 1045 and 1139) and amended returns (Form 1040X and 1120X).

# Furnishing Copies of Form 8271 to Investors

A pass-through entity that has invested in a registration-required tax shelter must furnish copies of its Form 8271 to its partners, shareholders, or beneficiaries.

However, in the case where (a) the pass-through entity acquired at least a 50% interest in one tax year in a registered tax shelter (and in which it had not held an interest in a prior year), and (b) the investment would not meet the definition of a tax shelter immediately following the acquisition if it had been offered for sale at that time, the pass-through entity need not distribute copies of Form 8271 to its investors. The pass-through entity alone is required to prepare Form 8271 and include it with the entity tax return.

#### Penalty for Not Including Registration Number on Return

A \$250 penalty will be charged for each failure to include a tax shelter registration number on a return on which it is required to be included unless the failure is due to reasonable cause.
